SB3623

State of Illinois

MUNOZ

2017 and 2018

INTRODUCED _____, BY

SYNOPSIS AS INTRODUCED:

415 ILCS 5/9.12a new
415 ILCS 5/12.2a new

Amends the Environmental Protection Act. Provides that when a permit is required that may impact either air pollution or water pollution, notice shall be provided to the State Senator and House Representatives of the district where the facility will be located and the public within 15 days from the date the application is filed.

LRB100 22562 LNS 41460 b

1 AN ACT concerning safety.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Environmental Protection Act is amended by
5 adding Sections 9.12a and 12.2a as follows:

6 (415 ILCS 5/9.12a new)

7 Sec. 9.12a. Notice. When a permit is required under Title X
8 that may impact air pollution, notice shall be provided by
9 certified or registered mail to the State Senator and House
10 Representatives of the district where the facility will be
11 located and the public within 15 days from the date the
12 application is filed. The Agency shall work with local
13 officials and community groups to ensure the public is
14 informed. No permit shall be issued until all notices have been
15 provided.

16 (415 ILCS 5/12.2a new)

17 Sec. 12.2a. Notice. When a permit is required under Title X
18 that may impact water pollution, notice shall be provided by
19 certified or registered mail to the State Senator and House
20 Representatives of the district where the facility will be
21 located and the public within 15 days from the date the
22 application is filed. The Agency shall work with local

1 officials and community groups to ensure the public is
2 informed. No permit shall be issued until all notices have been
3 provided.
